Chorus

I love the way you are
Subtle while being interested
Stylish; a classic that's who you are
Subtle, yet, determined, pursuing, achieving, precisely what you want,
Subtle, yet intense in love, all the while, being understated sexy, Oh my Gawd!
It's plain to see you're the one I really, truly, want
Subtle in all the things you do
Subtle, undoubtedly, you're the one for me, the only one I wish to see
I love what you do and who you are
Baby, can't you see, heads or tails
I love you, exactly, as you are!

Verse 1

I love the way you are
Weak while being strong
Hesitant while being confident
Frightened while being fierce
A lion roaring when at its best and then when at its', horrifically, terrible worst
Needing others despite surviving alone, making it on your very own
Loving, gently, while standing firm
Polarities, in everything you say and do
I love how we diverge, then only to converge
I love the way you are!

Bridge 1

I love the way you look at me, from near and far
I love the way you make me think and feel
I love the way you sit still while watching me sleep
I love the way you lean in, waking me up at about 3am
A room, barely lit, not a single ray of light.
I love the way you answer, in the darkness, faintly whispering, Yes
Yeah, that night!
I love the way you kiss me, passionately, yet lovingly, and just when
I love the way you get up, walk to the door, momentarily pausing, once again
I love the way you stop and know that right about, right now, is the right time for
you to go
I love you, heads and tails, cause that's what makes you, uniquely you
I love every damn (or darn) thing about you, and that you came to me!

Chorus

I love the way you are
Subtle while being interested
Stylish; a classic that's who you are
Subtle, yet, determined, pursuing, achieving, precisely what you want,
Subtle, yet intense in love, all the while, being understated sexy, Oh my Gawd!
It's plain to see you're the one I really, truly, want
Subtle in all the things you do
Subtle, undoubtedly, you're the one for me, the only one I wish to see
I love what you do and who you are
Baby, can't you see, heads or tails
I love you, exactly, as you are!

Bridge 2

I love the way you don't outright tell me, No
I love how you stood in silence, that awkward pregnant pause just before
You turned the knob, and opened the door to go
I love that you were there that night
I love that you are, here, again, tonight
I fell in love with everything about you
I couldn't help myself because
Perfect is, precisely, the word that describes
You!

Verse 2

I love the way you are
Worldly, yet, innocent and naïve
Public while incognito, yet, when in private a great big tease
Funny outside while serious inside
Revealing while concealing all of your hidden assets, oops, from top to bottom
Communicative while solemnly silent
All knowing, deeply thinking, yet, knowing nothing, feeling nothing, and loving oh so
sweetly
I love how we converge, then only to diverge
I love every little big thing there is about you
I love the way you are!

Chorus

I love the way you are
Subtle while being interested
Stylish; a classic that's who you are
Subtle, yet, determined, pursuing, achieving, precisely what you want,
Subtle, yet intense in love, all the while, being understated sexy, Oh my Gawd!
It's plain to see you're the one I really, truly, want
Subtle in all the things you do
Subtle, undoubtedly, you're the one for me, the only one I wish to see
I love what you do and who you are
Baby, can't you see, heads or tails
I love you, exactly, as you are!
