What if?
Suggested A-list Recording and Performing Artist(s):
David Foster and Katherine McPhee, etc.

Chorus

What if staying means, this; that I'll lose you, tomorrow?
What if leaving means that I'll find you, tomorrow?
Maybe tomorrow will reveal this?
What if in the end, it turns out like that?
Maybe, but what if?

Verse 1

I never really needed anyone before
That's not how I feel about you
I never felt like this about anyone else
It's not the feeling that I am uncertain about
Maybe, but what if?

Chorus

What if staying means, this; that I'll lose you, tomorrow?
What if leaving means that I'll find you, tomorrow?
Maybe tomorrow will reveal this?
What if in the end, it turns out like that?
Maybe, but what if?

Verse 2

It's more the potentiality
That something more may not manifest
From all of this or from all of that
If yes, then, I don't want to divest nor do I want to further invest
Maybe, but what if?

Chorus

What if staying means, this; that I'll lose you, tomorrow?
What if leaving means that I'll find you, tomorrow?
Maybe tomorrow will reveal this?
What if in the end, it turns out like that?
Maybe, but what if?

Verse 3

Are we something that is going somewhere or is this going nowhere?
I am coupled by the fear of not pursuing this or that
Will I not be able to live with maybes or what ifs?
Maybe years from now I will be asking myself, what if this or what if that?
Maybe, but what if?

Bridge

I used to write about things I cannot control
I still write about such things, but there are other things more important
And when I think about what I want to be remembered for
Its that a part of my soul that will be heard after I have passed on, have long since
gone
Music and how my words meet the music and through that beautiful union your soul
sings,
My music speaks to you and your voice speaks to me through the melody in our love
songs
Sing, Sing, Sing; I never want to have to ask myself, again, maybe or what if?

Chorus

What if staying means, this; that I'll lose you, tomorrow?
What if leaving means that I'll find you, tomorrow?
Maybe tomorrow will reveal this?
What if in the end, it turns out like that?
I promise you, tomorrow, there'll be no doubts and in the end there'll be no regrets
about us
There'll never be a single maybe or what if!
